GENEVA PORTABLE BARS
 BERNINA COLLECTION

It's all about ambiance.

*Shown in Red Mahogany
 with optional round rosettes
 and wood armrest*

FOR EXCELLENT LEAD TIMES
 AND SUPERIOR CUSTOMER
 SERVICE, **GENEVA IS**
UNRIVALED

Classic motifs, graceful lines, and rich wood tones combine with practical bar fundamentals in Geneva's Bernina Collection. Bernina is a fresh take on luxury that seamlessly blends with the richness of past.

Our models are handcrafted in the USA. Geneva's portable bars offer design flexibility; you can add options for the interior and exterior to tailor your establishment. We offer excellent leadtimes. We are the only ones that offer the option that converts the bar to furniture with a convertible double speed rail.

- ❖ Numerous exterior and interior options available
- ❖ Tig and resistance welded
- ❖ Frame and panel construction with 3/4" plywood and alder wood accents showcase durability
- ❖ Easy-to-clean fully stainless steel interior – or workstation
- ❖ Full backsplash, all sealed to NSF standards
- ❖ TPR casters
- ❖ Channel base construction
- ❖ 50 lb. ice capacity bin
- ❖ One year warranty

Options for Exterior

Round Rosette Corner Bumper Full Bumper Wood Armrest Metal Footrest

Wood veneer finish options

EXTERIOR: Available in Antique Cherry, Golden Pecan, Puritan Pine, and Red Mahogany. Carts are constructed with the finest hardwood lumber solids and veneers using the latest in joinery techniques, including time tested mortise and tenon joints. Basic Frame and Panel construction is used where applicable, as well as applied moldings to create the rich quality look and feel of fine furniture.

These units are sprayed with pigmented stains and hand wiped to achieve the desired color tones. They are then coated with a hybrid post catalyzed acrylic, KCMA certified, for a beautiful, protective high luster finish, that will last even in the most difficult environments.

INTERIOR: Tig and resistance welded. Full length heavy gauge stainless steel angles reinforce from corner of body on inside, with high impact edging on outside corners. Full backsplash sealed to NSF standards. Easy-to-clean stainless steel interior.

FULLY STAINLESS STEEL INTERIOR:

Work surface shall be constructed of 18-gauge stainless steel. Wall shall be constructed of 20-gauge stainless steel and the base shall be constructed of 18-gauge stainless steel.

STAINLESS STEEL WORKSTATION: Work surface shall be constructed of 16-gauge stainless steel. The backsplash shall be constructed of 20-gauge stainless steel.

TOP: There are many surfaces available. Wood- material options are Golden Pecan, Puritan Pine, Antique Cherry, and Red Mahogany. Solid surface-material options are Bone, Rocky Road Granite, Lave Granite, and Ebony Granite. Granite material options are Luna Pearl, and Uba Tuba. Additional solid surface options available.

CASTERS: Thermal plastic rubber casters. The 5 and 6 foot models come with 5" (4 swivel, 2 lock). The 8ft model comes with 5" (4 swivel, 2 lock, 2 ridged). 1 ½" height from the floor for easy travel over thresholds. Concealed casters for appearance of elegant furniture. There is an available 6" caster upgrade

ICE BIN WITH DRAIN: Ice bin shall have

enclosed foam insulation with drain. Ice bin shall have a 50 lb. ice capacity. *6 circuit sealed-in cold plate shall be compatible for use with Pre-Mix and Post-Mix systems.

CHANNEL BASE CONSTRUCTION

Prevents racking and adds strength, especially when transported over uneven surfaces

Geneva's **EXCLUSIVE** Convertible Double Speed Rail

CONVERTIBLE SPEED RAIL:

This option converts your bar from functional beverage service to space-saving furniture in seconds. Stainless steel inserts to make it easy to remove beverages after the event is complete.

OPTIONAL INTERIOR ACCESSORIES:

- Ice bin cover
- Underbar server with 4 bowls
- Towel ring
- Bottle opener
- Hand sink
- Post mix
- Pre mix
- Locking doors
- Electrical plug
- 6" caster upgrade
- Stainless steel mixing rail

**Finish your suite with matching back bar, ice chest, and more.*
