Experience the ultimate in demonstration cooking. This handsome mobile station is ideal for breakfast, lunch, dinner, banquets and cocktail receptions. The **Creation Station Ultimate** eliminates clutter and provides organization of ingredients, egg yolk, batters and sauces. You can prepare breakfast omelets and crepes, sauté for lunch or dinner, and stir fry pasta creations. State-of-the-art cooking is done by two flush mounted, high power induction stoves. The top can even be converted to a cutlery. There is ample storage in compartments for bus tubs, a trash can, back up ingredients and setups. The flexible basic design allows for easy customization of components and exterior finishes.
